

## Application for Trade Agent Certificate

### Applicant

Name of Contact Person	
Company Name	
Position	
Address	
Country	
Mobile number	
Land line number	
Email address	

Request for CML to issue a trade agent ATEX and /or IECEx certificate based on existing OEM certificate numbers

Please supply ATEX / IECEx certificate numbers below	
ATEX	IECEx

### Documentation/information required

1. An alternative Product Type Designation, if required
2. A declaration by the OEM that the product to be placed on the market in the name of the Trade Agent will be identical to that described in the original IECEx/ATEX Certificate
3. A declaration by the Trade Agent that the product to be placed on the market in the name of the Trade Agent will be identical to that described in the original certificate
4. A copy of the label drawing showing the new marking be applied by the OEM but showing the Trade Agent as the de facto manufacturer.
5. A copy of the contractual agreement between the OEM and the Trade Agent
6. A copy of the relevant QAN (ATEX) and a link to the relevant QAR (IECEx) that show the name of the Trade Agent (which is the same as that which will appear on the Trade Agent product label) and that have a scope sufficient to cover the products described in the original IECEx/ATEX certificate
7. A copy of the original ATEX/IECEx certificate
